

TECHNICAL DATA SHEET

RUST REMOVER SPRAY

EAN code: 5907588470032 item no.: 001026 cap. 400ml

+ PROPERTIES

The spray rust remover is used to remove oxides formed on the metal surface. The high-grade oil contained in it with excellent penetrating properties and the addition of MoS₂ makes the surface lubricated and permanently protected against mechanical and atmospheric factors, such as corrosion. Thanks to its properties, the agent makes it possible to loosen rusty bolts and nuts, spark plugs. It cleans and preserves chains, brake systems, hinders the re-formation of rust. It works quickly and effectively.

• COLOUR

colourless
