## Attila SA 25

### Lubricating and Sealing Grease for Fittings

A clear and tacky synthetic, gas cock grease with excellent adhesive properties.

#### Characteristics

- oxidation resistant
- good lubrication performance
- very good tackiness
- relative good compatible with many usually used sealants
- no resin forming
- relative good resistant against gaz
- withstands weak acids and alkaline solutions

#### Applications

- for sealing connections
- for sealing conical valves
- for control valves in heaters
- for valves and seals if aggressive agents have effect to the lubrication place

#### Technical Datas

Color		white
Base Fluid		Syn
Consistency Class NLGI		2-3
Density 15°C	kg/m <sup>3</sup>	980
Temperature Range	°C	-0 -> +100
Pack Size tube 100 g		+
Pack Size cartridge 400 g		+
Pack Size round box 1 kg		+
Pack Size pail 5 kg		+
Pack Size pail 18 kg		+
Pack Size drum 180 kg		+

*The indicated service temperatures are guide values depending on the lubricants composition and on the application. They may vary in case of special influences or ongoing use.*

The content of this manual is based on our current knowledge and experience in the development and manufacture of lubricants. Because of the complexity of tribological systems, the effect of our products depends on many parameters, which we cannot assess and which influence we cannot evaluate. For this reason general statements about the function of our products are not possible. The information in this manual, therefore, contains non-binding guidelines, which should give the technical trained reader information on possible applications. The information in this manual does not include property assurances or warranties or guarantees to the properties or suitability of this product in a specific application. Prior to its use it is absolutely necessary to test this product in the application to ensure that the product and its use is safe, economical and fully suitable. It should proceed with due diligence. We reserve the right to change the information in this manual at any time and without notice. All previous versions of this manual are no longer valid.
